Ms. Waeni Ngoloma, a Lecturer in French at the Institute is a member of a church group that visits the Childrens' Cancer Ward at Kenyatta National Hospital twice a month. The aim of the visits is to encourage the children, give them hope by, among other things, buying them story books and crafts. Young people from the church also organize for plays with the children who together with their parents, have come to really appreciate the group's efforts and always look forward for the visits.
